

Elizabeth A. Allen & Isabelle M. Hickman 4-year College Scholarship Awards for 2020

Students who apply for a four-year scholarship will automatically be considered for both scholarships.

1. Each award is for \$1,500 for one year (renewable) to a student who:
 - Will graduate from a New Jersey public high school this year, including vocational-technical and public charter schools.
 - Is in the top five (5) percent of their graduating class.
 - Has been accepted to a 4-year college.

2. The applicant must submit four (4) copies of the following:
 - The completed 2020 scholarship application form.
 - A high school transcript.
 - A brief, but revealing, statement of goals, interests, and community service; typed double-spaced in a 14 pt. font; not to exceed 2 pages. (This statement is very important, as a number of applicants are often equal academically.)
 - A list of extra-curricular activities, athletics, honors, community services, and employment.
 - Two letters of recommendation, at least one of which is from a teacher at the high school.

3. **All information must be postmarked on or before March 1, 2020.**
NOTE: A student may apply for only one (1) NJREA Scholarship (Allen/Hickman, Aug or Krichling).

4. A recipient who has maintained a college GPA of at least 3.0 may apply for a renewal of the scholarship each year for the next three years. A transcript from the college and a personal report of the year's activities and verification of payment are required.
